

UK-AFI Board of Directors Nomination Form

Applications for vacancies on the UK-AFI Board of Directors are accepted following the ATC on an annual basis. This is a big commitment and requires a lot of personal time to help manage this great Association. Make careful consideration of who YOU believe will be the best candidates for the role and take the time to vote when the voting opens. If you are considering becoming an International member, then this is the time to do so as you need to be an International member to be eligible to run for the UK-AFI Board. The Nominating and Election Committee, consisting of Chairperson Past President Dr Peter Mansi and the current President, request the assistance of the membership in the selection of active members to serve on the Board of Directors of the Association. Each member selected will be carefully considered by the Committee. A final selection of candidates, to fill vacancies by the advancement of officers or the expiration of terms of office held by Directors, will be nominated by the Committee at the Annual General Meeting. Article III of the Constitution and By-laws of the Association, provides that the Board of Directors consists of the officers and members of the Association duly elected as Directors. Incumbent Directors seeking re-election must also be nominated in accordance with these Guidelines. Please complete this form and email it to peter.mansi@uk-afi.org.
