- 16:45** **Meeting ends**

Location of the 2018 Summer Training Conference.

You can access the building via Broad Street which is off of East Road.

The gap between the Lord Ashcroft Building and the Science Centre is the entrance through the black gates.

It's the second set of black gates along that road when coming in from East Road.

Train

Trains run frequently between Cambridge and London, Ipswich, Peterborough, King's Lynn, Birmingham and Stansted Airport.

If you're travelling from Heathrow or Gatwick, head for King's Cross or Liverpool Street stations in London; you can catch trains to Cambridge from there.

When you arrive in Cambridge, we're a 20-minute walk from the train station. Alternatively, you can catch the busway A bus to The Busway Parkside (Nw-Bound), which is a seven-minute walk to campus.

Travelling by car

Cambridge is close to the A1 for north-south journeys, and the A14 and A47 for east-west routes.

Central Cambridge can get very busy, so we recommend using the Park and Ride service if you're travelling by car. There are five different services running seven days a week. Two of the services (Milton and Newmarket Road) stop at the Grafton Centre, opposite our campus.

For general parking the Queen Anne and Grafton Street multi-storey car parks are both five minutes' walk away and there is a short-stay car park opposite our campus on Adam and Eve Street. Students, staff and visitors should not park in the residential streets around the campus.

Accommodation:

There are several hotels are located within a short drive of the venue, including:

Premier Inn Cambridge City East Newmarket Road, Cambridge, Cambridgeshire CB1 3EP United Kingdom	ibis Cambridge Central Station 2 Station Square Cambridge England 020 3564 5165
